

OPTIMIST INTERNATIONAL JUNIOR GOLF CHAMPIONSHIPS

The Kansas District Sponsorship Form

The Kansas OIJGC Committee invites each club in our district to participate in supporting the Optimist International Junior Golf Championships. In order to serve all the youth in Kansas who want to participate in this premier event, we need your support financially. Our goals for 2012 are to increase the numbers of Kansas kids who participate and benefit from this program and to send the winners in the boys' 14-15 and 16-18 year old divisions and in the girls' 13-14 and 15-18 year old divisions, expenses paid, to the final tournament in Florida. Sponsoring the four winners alone will cost nearly \$4,000. It is not possible to cover this and all other costs of the OIJGC tournaments from entry fees alone without raising the cost to the point that many deserving kids would be unable to participate. We depend on your support to be successful. If your club has contributed in the past, we again thank you and hope that you will continue to support OIJGC in the Kansas District. Any money you provide will be well spent. This event is eagerly anticipated by aspiring young golfers all across the state. Please step up and let your Optimism shine for our Kansas youth. THANK YOU.

Qualifying Information:

A limited number of golfers in each division will advance to the international championships provided they shoot the minimum qualifying score. A maximum of one (1) golfer from outside the District is permitted to qualify per division. If a golfer who lives outside of the District qualifies, his/her participation will not eliminate a District resident from qualifying. Optimist Districts and Clubs provide financial support for winners to attend the international championships. The amount of financial support provided and the age divisions covered varies by District. There is no guarantee that financial support will be provided to golfers who travel outside of their home District. Please check with the District Chair for details.

Age Eligibility Information:

In order to be eligible, a golfer must not turn 19 on or before July 29, 2012. Golfers must be enrolled in high school or must be a 2012 high school graduate to be eligible. Any golfer who has attended college is no longer considered a "junior golfer" and is not eligible to participate.
