Mid-America

We are partnering with Communities In Schools of Mid-America to host a snack drive for kids. Children facing hunger at home often need a nutritional snack during the day so they can focus on their studies instead of their tummies. Please consider donating items such as granola bars, breakfast bars, and individual packages of peanut butter or cheese crackers, trail mix, squeeze top apple sauce, raisins or cases of water. Thank you for continuing to support our students so that they can be successful.
